TERMS AND CONDITIONS

The following terms and conditions govern the relationship between Shree AMIT Packers Movers and its franchise partners. These terms are non-negotiable and must be strictly adhered to in order to maintain transparency, consistency, and operational efficiency. Franchisees are expected to fully comply with these conditions, which are designed to support mutual growth and ensure smooth business operations.

1. Franchise Cost

The starting cost for a franchise is ₹40,000, covering essential startup expenses like operational support and branding materials. This amount may vary depending on location and market conditions, with flexibility for unique situations.

2. Assured Monthly Business

Franchisees can expect an assured monthly business income of ₹1.5 lakh to ₹2 lakh, providing a solid foundation for financial planning. This estimate may vary depending on market conditions, competition, and individual business performance, ensuring potential for growth.

3. Franchise Cost

No franchise charges will be applied for the first three months, allowing franchisees to establish their business without immediate financial burden. After this period, franchise fees must be paid on time to avoid accruing interest on overdue payments.

4. Bond and Security Refund

A minimum three-year bond is required for all franchisees, promoting long-term commitment and stability. After completing this bond period, the security deposit will be refunded in full, ensuring trust and confidence in our partnership.

5. Staffing Requirements

Each franchise office must employ at least one manager and two salespeople to ensure smooth daily operations. This staffing structure is essential for meeting customer demands and driving business growth effectively.

6. Franchisee Designation

Franchisees may introduce themselves as Branch Managers but are not permitted to use titles such as Director or Founder. This designation helps maintain clarity and consistency within the brand.

7. Transparency in Operations

Franchisees are required to maintain complete transparency regarding company details and records, fostering trust and accountability in all business dealings. This practice ensures compliance with operational standards.

8. Branding and Marketing Materials

For company branding purposes, digital and print materials such as brochures, pamphlets, and visiting cards will be provided at nominal costs. These costs will be billed to the franchisee, ensuring effective marketing support.

9. Digital Marketing Support

The company will cover digital marketing fees for the first three months, giving franchisees a head start in promoting their business. After this period, ongoing marketing charges will be the responsibility of the franchisee.

10. Annual Seminar and Meeting

The company will organize an annual seminar for franchisees, covering transport and accommodation costs. However, all other personal expenses will need to be covered by the franchisee, ensuring valuable networking opportunities.

11. Payment Terms

All payments, including franchise fees and other charges, must be made by the franchisee on or before the due dates. Any delayed payments will incur interest, as specified in the contract. All payments should be made through approved payment channels, ensuring transparency and ease of tracking. The franchisee is required to keep records of all payments for audit purposes.
